

# Flint Water Crisis Seminar

**Monday, March 7  
12-1 pm  
Jaffar Lecture Hall  
Scott Hall  
540 East Canfield  
Detroit, MI 48201**

**Guest Speaker Dr. Mona Hanna-Attisha M.D. MPH FAAP  
Director of Hurley Children's Hospital Public Health Initiative**

**Dr. Hanna-Attisha is an alumnus of Michigan State University College of Human Medicine and completed her Pediatric Residency at DMC Children's Hospital of Michigan. The World Health Student Organization is excited to host Dr. Hanna-Attisha for a discussion on the current public health crisis in Flint, MI with the WSUSOM community. All students, faculty, residents, and physicians are welcome to attend. WHSO members attending earn one trip credit.**

**Community Foundation  
Greater Flint**
