How to play the Fatberg Game

Updated: 2 March 2020

Level One: In the Apartment

1. Game will start with the player in their apartment, with the tablet ringing and showing a message. Read it.
2. Start to pick up items in the apartment and throw them away.
 - a. Use the Arrow Keys on your keyboard to move forward or back in the game
 - b. Use your mouse to move up or down or side to side.
 - c. Use the E key to pick up items
 - d. Use the E key to drop items into the trash receptacles or in to drop them in general
 - i. You know that you have hit the receptacle correctly when it splashes
3. This part of the game session is on a timer which the game has set, and will take you to the sewer to confront the Fatberg; try to get as many items disposed of before the timer goes off!

Level Two: In the Sewer

Once the game has taken the player to the sewer, the point is to find the items that have been thrown away improperly, and retrieve them.

1. Point the scanner to the correct area to find an item: The scanner pointer will turn red when found

2. Use the space bar on your keyboard to retrieve the item from the Fatberg.
3. Use your arrow keys or your touch pad to rotate the dial to find an A

4. Select it using your space bar.
5. Continue to dial and select the A to show information on why you should not throw the items down the sink or toilet.
6. You can search and retrieve all items that you have thrown down the sink or toilet. OR that your neighbors have put down the drain.
7. Once you have retrieved all the items the game will end
